## MEMORANDUM

June 22, 2010

**TO:** School Board Members  
District School Superintendents

**FROM:** Wayne Blanton, Executive Director

**SUBJECT:** 2010 Election Information on School Board Races – Qualified Candidates

The attached spreadsheet provides a list of the school board candidates that have qualified for election this fall. The FSBA staff has tried to supply as much information as possible, using data gathered from local school board offices and from the Supervisor of Elections in each county. After the Primary Election on August 24, 2010, we will provide you with updated information on the primary election results. We will also provide a final election report after the General Election on November 2, 2010.

The school board election data breaks down as follows:

- ✓ All school board races are non-partisan
- ✓ 210 school board seats are up for election
- ✓ 466 candidates have qualified for election to those 210 seats
- ✓ 61 school board members have been reelected without opposition
- ✓ 3 new school board members have been elected without opposition
- ✓ 47 school board members did not seek re-election to the school board

I hope you find this information useful. Please call our office if you have any questions or concerns.
