NSBA School Rx Cooperative

FSBA is proud to partner with the NSBA School Rx Cooperative. The Cooperative is a new and innovative pharmacy benefit program that delivers cost savings to self-funded districts. Budgets are tight. Student achievement is our priority. This is a way to save money and put it back where it belongs, back to student achievement.

We have set up an information page for School Board Members on our FSBA Website, and have included the October "Did You Know" article outlining related current issues and benefits to joining. Access these resources by clicking the links below:
